Summer 2018 Junior Fellowship Experience

Mandatory Attendance Dates: May 29-June 1 and July 23-July 26
Approximate Summer School Enrollment \$100

- Summer JFE is by choice and through approval. Students must be in good academic standing to participate in a summer JFE. It will otherwise be scheduled for 7th period either fall or spring semester.
- If more students apply than there is space available, grades and attendance will be used in the acceptance process.
- Opportunity postings with application directives will be available through eCLASS beginning in February.
- Students will need reliable internet access to submit work through eCLASS throughout the summer.
- ALL summer JFE students are required to attend the mandatory attendance dates listed above. Only students who are participating in a residential academic program will be excused from one of those weeks and these students will still be required to submit work on time. Other absences will result in the student being dropped from the summer roster. No refunds will be disbursed for students dropped due to non-attendance on a mandatory date.

There will be a JFE information session for students and parents on Curriculum Night, Thursday, March 1st.

Lost and Found

Our Lost and Found boxes are starting to overflow.

If students are missing any clothing items or lunch boxes/water bottles, please have them check the Lost/Found boxes located in the cafeteria, next to the vending machines, and in the lower lobby of the Tower.

Students should check in the Attendance Office for lost jewelry, graphing calculators, phones, etc.

LOST

At the end of the semester, all Lost and Found items not claimed are given to local charities.

Study Abroad Information

Costa Rican Animal Sanctuary

Ms. D'Antonio and Ms. Santana will be leading a school trip to Costa Rica for a week of study abroad from 3/31/18-4/7/18. [Click here](#) to learn more information about this wonderful opportunity!

Parking Permit for Students

Student Parking is now \$40 for the remainder of the year. Students must bring the money along with [this completed form](#), drivers license, and proof of insurance to the Attendance Office.

Before school and after school supervision, please provide transportation.

Please ensure the safety of your student and others by not:

- dropping off in the faculty lot of GSMST
- dropping off in the faculty lot of Maxwell
- unloading your child in McElvaney Lane
- unloading your child in the serpentine lines
- picking up your child in any location above.

Only students taking a zero period can be dropped off in the front parking lot.

On Mondays, students must be out of the building by 3:15 PM since all teachers are in school-wide meetings. On Tuesdays-Fridays, students must leave the building as soon as the SRC closes (4 PM) or as soon as their activity ends. Please be at school, ready to pick up your child when the activity ends. Students will have to stand outside to wait for their ride and cooler weather will be coming soon. Students are not allowed to enter the building before 6:15 AM. Thanks for your help.
