

GSMST Anonymous Concern Form

You are always free to talk to the counselors if you are concerned about a friend. However, please feel free to use this form if you are uncomfortable speaking with a counselor.

Your friend's name: _____

Your friend's grade level: _____

Briefly explain your concern:

Your name (optional): _____

If you do not share your name, we will address the concern with the information you have provided above. If you share your name, we may ask for further details if needed.
