GSMST's Festival of Trees and Lights

The GSMST Chapter of the National Art Honor Society (NAHS) is proud to host the Fifth Annual Festival of Trees and Lights from December 5th through 18th, 2015 in the atrium of The Gwinnett School of Mathematics, Science, and Technology. This popular event has become a winter tradition and something the students and families of GSMST and the Lawrenceville community look forward to every year.

All proceeds from this year's Festival of Trees and Lights will benefit Street Grace. More information about the organization can be found at <http://www.streetgrace.org/>. Our goal is to make a donation of \$1200 to Street Grace. If you would like to contribute to this school wide community service event, please contact Ms. Jennifer Prince at jennifer.prince@gsmst.org.

There will be a Cookies and Cocoa Reception on Thursday, December 10th from 5:30-6:30 pm before the GSMST Fall Awards Night.

Final Exam: Chick-fil-A biscuits

GSMST PTSA in conjunction with Chick-fil-A will be selling biscuits during final exams. Biscuits are \$2.50. Please bring exact change to speed up the process. Starbucks Frappuccinos will be sold for \$2.00 and bottled water for \$1.00 in the cafeteria only.

If you would like to volunteer, please sign up [here](#).

Lost and Found

Lost & Found: we have accumulated quite a bit of clothing and other odds/ends students have left around the building. If your child has misplaced anything, please have them check the Lost/Found bins located in the cafe and in the ground floor lobby or in the Attendance office. All items still left as of December 18 will be donated to a charity.

A note from PTSA

Once again, the GSMST PTSA will be sponsoring International Night on Friday, February 5th, 2016. This is going to be a fabulous event! There will be food tastings, crafts, entertainment, etc. There will be over 1,000 people in attendance! Because of the great success last year, we are once again holding a Silent Auction at the event. The proceeds from this event will go towards school improvements, support for various clubs, support for teachers, staff, and students, PTSA programs, and student scholarships.

We are asking for donations such as sporting event tickets, golf foursomes, merchandise, electronics, gift cards, vacation home usage, other event tickets, services, or any other items you think would be appropriate. All donations are fully tax deductible.

If you are a business owner, work for a business, or have family and friends who would be willing to donate, or have any questions, please contact Helen Loyd at loyd3314@charter.net. We will provide a donation receipt for tax purposes.

A note from the SRC

Are you interested in winning a FREE graphic novel? All you have to do is visit the SRC website and write 5 book reviews. The reviews should be at least 5 sentences or more, give a short summary of the book, and your thoughts - no spoilers! These reviews will be posted on the SRC website for others to see. Once you have completed 5 reviews - you get to select a FREE graphic novel from our cart. Good luck and happy reading! <http://gsmstsrcenter.weebly.com/>

A note from our Counselors

Now is the time of year when many students and families begin getting information from colleges and other college-planning services. While we encourage you to read over any college material you may receive (you may discover a hidden jewel you never knew about!), we caution families to read carefully any information they receive from other companies. There are legitimate companies offering help with preparing for college and financial aid, however, there are also many companies that seek to prey on those who may be feeling anxious or may not know as much about the college application process. If you have any doubts about a letter you receive, a quick google search on the company name can often give insight into the nature of that company. If you are still not sure, please feel free to contact your counselor and ask. Beware of any companies that offer "guarantees" of scholarship money or who want you to pay "processing fees."

All GSMST students will have the opportunity for an individual meeting with their counselor in the spring of their Junior year to discuss college processes and prospects. This year, we will also be holding a college fair and college workshop on April 26. This event will be open to all 9-11 graders, so mark your calendars now!
